Judges Clinic I

12:00 PM – 4:00 PM

Have you ever wondered how to become a judge at a Hosta Show? Well, here's your answer.

Master Judges Kathie Sisson and Bob Lavigne will be conducting the first Clinic you need to attend to become a Provisional Judge. It's easy and it's fun, and you will learn so much about the scoring system and what qualities judges look for in a hosta leaf. This Clinic will also help you "see" your own hostas in a totally different way. This is a great clinic even if you have no plans to ever become a judge, just interested in learning more.

Each participant will need a copy of the AHS Judges Handbook which can be downloaded from the AHS website or purchased already printed for \$10 (they will be available at the clinic). Please let Kathie Sisson know if you plan to attend at kcsisson@aol.com or 860 673-1426.

The Fish Box Hypertufa Workshop is postponed.
